

Mono Cliffs Provincial Park

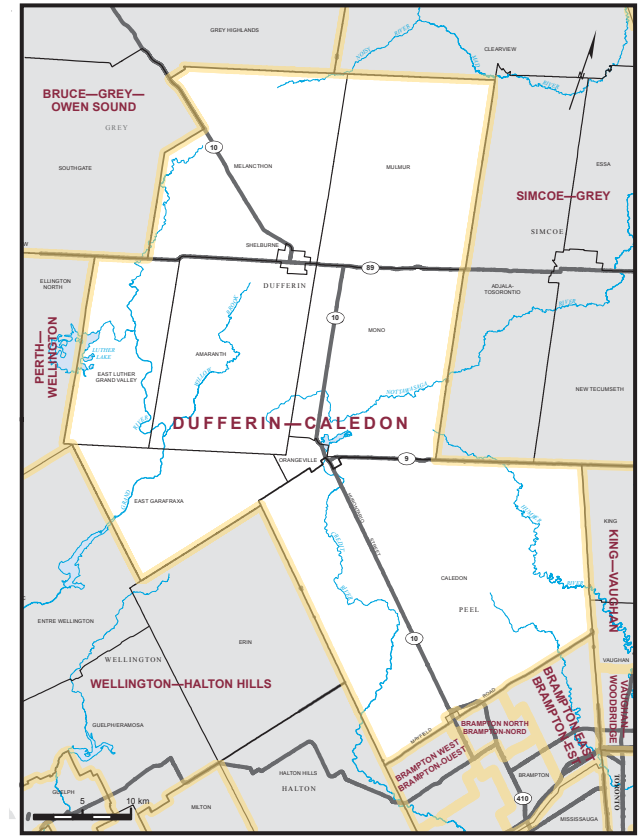

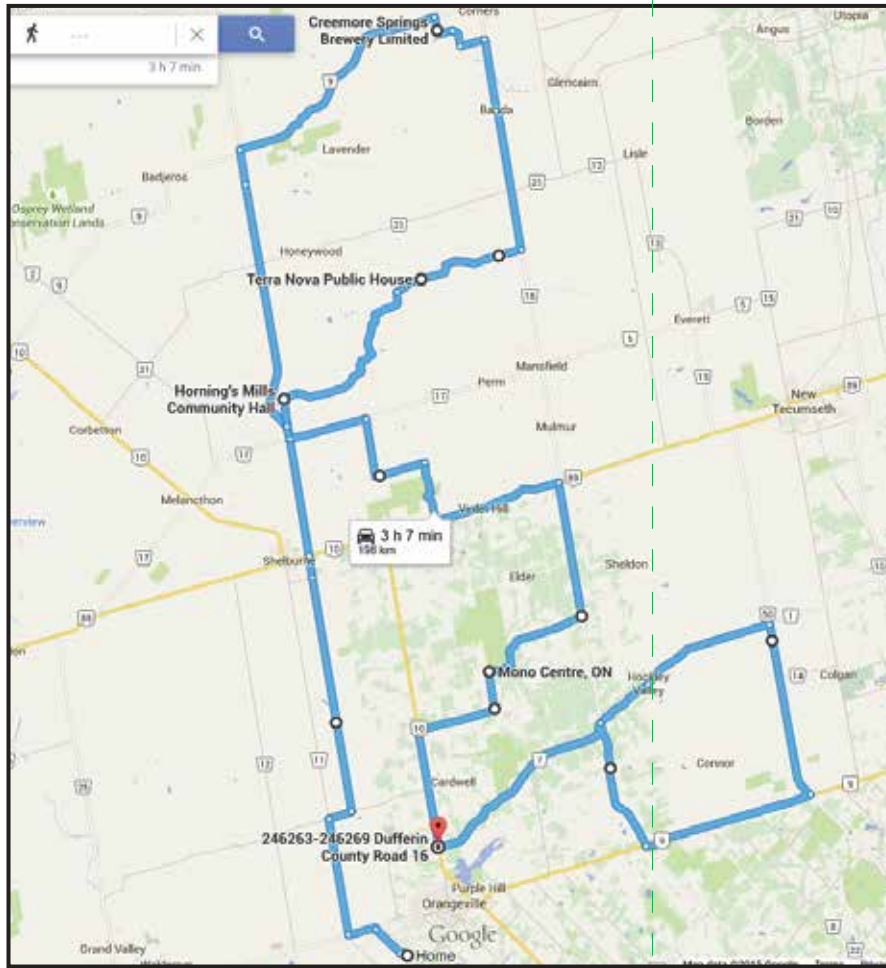

Terra Nova / River Road Area

You are invited to the 2nd Annual **Dufferin-Caledon Rotary Rally & BBQ**. A day of cruising the backroads with a few interesting stops along the way. Start time is 10 a.m. sharp. The day starts with a hour drive up to the Creemore Springs Brewery with a half hour tour & tastings at noon. After that we'll head for lunch and a local brew at either Mono Cliffs Inn a quaint pub in a two century old general store or we can just walk down the road to The Old Mill Pub in Creemore. After lunch we'll drive the twisty River Road, and then a drive south to the Hockley Valley area for some more great twisties and if time permits we'll head east for a scenic drive around Belwood Lake Area. Around 6:00 we'll head back to my place for a BBQ with local corn, burgers & sausages, and of course a few drinks. Everyone is welcome to stay over night, just bring a sleeping bag as beds are in very limited supply. Cheers and I hope you can make it!

BYOB please.
