Fourth Annual Mountain Creek Classic

SCCA RoadRally

A RoadRally is a contest run in street-legal cars on city or country roads, at legal speeds. It's a pleasant drive in the country with some competition involved,

All you need is a car, a second person (the “navigator”), proof of insurance and license, a clipboard and a pencil. No special car preparation needed. If you're street-legal, you're driving a potential rally car. A good rallyist in a clunker will always beat a lousy rallyist in a Ferrari. You don't need to be an SCCA member to run, but points count towards a year-long championship for SCCA members.

Please note: if there will be a minor child (under 18 years old) in the car with you for the rally, an SCCA “Minor Release” must be turned in, **signed by both parents**. If both parents will not be at registration, a notarized form with both signatures must be presented. You may request a blank form at rally@texasscca.org.

Preregistration \$20 (SCCA members), \$30 nonmembers. You can register online at <http://tinyurl.com/MCC09msr>. To register by mail or email, please email joe@lumbley.com for forms and addresses. You may also register on the day of the rally for an extra \$5 fee.

Please join us for a few hours of driving fun, whether you drive a sports car, a vintage car, or a family sedan! If you belong to another car club, why not form a team to represent your club? 3-car teams may enter for a special Rally Team Trophy. These may be club teams, marque teams, sponsored teams, etc.. There is no extra entry fee for teams.

New rallyists are always welcome. Last year, novice teams scored very well and took some of the top places in the event.
